

Taking Your Career Into Your Own Hands

Are you stuck in a rut and not sure what's the best next step for your career, both for the present and your future? When was your last performance review and do you know the steps you need to take to succeed in your career? Are there any internal or external opportunities for you to educate yourself in order to get to that next step?

There's no time like the present to come up with a plan to get noticed and steer your career in the right direction. This session is designed to answer these types of questions.

Presenter: Leanne Bonnar

Leanne is an accomplished Talent Acquisition and Human Resources Consultant with the David Aplin Group, specializing in the engineering and technical fields. Having been born and raised in Winnipeg, she's very familiar with the local economy as it relates to both staffing and human resources. Leanne partners with construction, industrial, and manufacturing industries to develop their talent pools by finding top talent for their businesses through staffing and growth planning. She's an industry leader in her field and a consistent national top performer.
