

SECOND ANNUAL

Making Links
engineering *Classic*

Tournament
Sponsor

UNIVERSITY
OF MANITOBA

Bridges Golf Course
Starbuck, Manitoba
Wednesday, August 17, 2005

In support of the APEGM Design Studio in the new
Engineering and Information Technology Complex
at the University of Manitoba

Canad Inns – Brandon.
The latest addition to the Canad Inns chain.

MLEC was founded by the Association
of Professional Engineers and
Geoscientists of Manitoba
(APEGM) in association with
the Faculty of Engineering,
University of Manitoba,
with generous support
from Canad Inns.

Our first annual Making Links Engineering Classic (MLEC) was a success. With your help we'll make this year's tournament even better!

Many of you will look back fondly on old Room 229 as the home base in your engineering education. We sincerely hope that, in the Spirit of Room 229, you will participate in MLEC 2005 and help raise money for the APEGM Design Studio in Room 229 of the new engineering complex. Here, through personal involvement, the students will learn about engineering practice and grow in readiness for it.

Come out, have fun, and network with today's industry leaders. Support APEGM's effort to enhance the education of Manitoba's future engineers. Nurture the Spirit of Room 229!

2005 MLEC Highlights:

- Hole-in-One contest (chance to win a Chrysler 300)
- Sale of Mulligans, Kicks and Throws
- Silent auction
- Winnipeg Harvest charity giveaway

As a golfer you will receive:

- 2005 MLEC golf shirt
- Tee gift package
- Round of golf including cart & use of driving range
- Lunch and 4-course dinner
- Chance to win exciting prizes
- Tax receipt for the net proceeds raised
