Marc Ducharme  
Andrew Forward

Alex Karagiannis  
Vanessa Nedd  
Trevor Oullette  
Gregory Page  
Arnold Permut  
Selvin Peter

Over the last year we have been pleased to welcome new members into our committee and at the same time sad to see several members leave. Between July 31, 2008 and Oct, 2009 the committee met 7 times.

This past year we have focused on numerous activities including delivering the activity book, "What Engineers Do", building partnerships with other organizations such as Engineers Canada and Women in Science and Engineering, and reviewing the APEGM informational brochures.

APIC has also continued working on a poster series that highlights Aboriginal engineering role models. It is hoped to deliver these posters to the high schools in Aboriginal communities.

Our committee is still pursuing volunteers, especially from the north, to assist us in delivering projects and materials to northern communities.
