

Sponsorship Details - 2011 Annual General Meeting and Conferences

Benefits

The APEGM Annual General Meeting is a premier professional development opportunity for the engineering and geoscience community in Manitoba. With participants representing a cross-section of the 5,000 members who work in the province's private and public sectors, this one-day event offers substantial value to program sponsors:

- Excellent networking and business development opportunities.
- Exposure to senior decision-makers in the industry.
- Association with a well-organized and productive event.
- Recognition as a supporter of excellence in engineering and geoscience.
- Exposure to new talent in the engineering and geoscience fields.

Program sponsors will also receive a sponsor recognition package commensurate with their level of support.

This proposal outlines all levels of Sponsorship as well as conference events. We understand and appreciate that not all of our supporters are able to contribute financially but may be able to do so in the form of in-kind sponsorship. We are open to discussing all levels and forms of in-kind sponsorship. Please contact us to discuss a sponsorship package tailored to your organization's needs. Sponsorships are time sensitive and are determined on a first-come first-served basis.
