

Association of Professional Engineers  
of the  
Province of Manitoba

Outstanding Service Award

to

MYRON PETER MUSICK

B.Sc.E.E., P. Eng.

Born November 5, 1936

Winnipeg, Manitoba

*Myron Peter Musick became registered with this Association in August, 1964. For two years he worked with the Employee Engineers Committee. He has served for two years as a member of the Board of Examiners and for seven years as its Chairman.*

*On this Board he has made a major contribution toward the efficient operation and the detailed and extensive work of this very important committee. During his years on the Board the volume of work has been augmented tremendously, reflecting both the increase in immigration of foreign-trained personnel and the mounting awareness of the registration requirement.*

*The Board of Examiners, in assessing the academic qualifications of the many applicants, plays a vital role in maintaining the high standards of our profession, and Myron Musick has contributed in no small measure to the effectiveness of this Board in recent years.*

*The Association is grateful for the work Mr. Musick has done over the years and feels that he is a most deserving recipient of this award.*

November 28, 1975.
