

**Association of Professional Engineers
of the
Province of Manitoba**

Outstanding Service Award

to

WILMAR HERBERT FINNBOGASON

B.Sc.M.E., P. Eng.

Born May 14, 1923

Winnipeg, Manitoba

Wilmar Herbert Finnbogason became registered with this Association in December 1954. He was a member of the Public Relations Committee for five years, one year as its Chairman. He served on the Consulting Engineers Committee for three years, the Premises Committee for four years, the Bulletin Committee for one year, the Nominating Committee for one year and the Advisory Committee for two years. He is just completing his third year on the Practice and Ethics Committee where he has served for two years as Vice-Chairman and one year as Chairman. He also served for five years as a member of the Council of the Association.

Bill Finnbogason is high-principled, fair-minded and diligent, and to all his Committee endeavours he has brought his inherent qualities of dedication and a profound sense of duty, justice and professional responsibility.

The Association is deeply indebted to him for his labours on behalf of the Association and the engineering profession.
