GLENN ALLEN MORRIS

B.Sc. C.E., M.Sc., Ph.D., P.Eng., M.E.I.C.

*Glenn Allen Morris became registered with this Association on April 21, 1958.*

*Glenn Morris served on the Membership Committee for four years, the Social Committee for one year, the Safety in Engineering Committee for twelve years, the Board of Examiners for ten years, the Practice and Ethics Committee for two years and the Executive Committee for one year. He has served one year as a member of Council. Although he has only been a member of the Association for twenty-four years, Glenn Morris has served on committees and Council for a total of thirty-one years.*

*In addition to his Association work Glenn Morris has served on the Canadian Accreditation Board of the Canadian Council of Professional Engineers for six years, one year as its chairman.*

*Glenn Morris is conscientious, co-operative and caring, and the Association is grateful that hundreds of engineering students have him as an example to emulate.*
