Outstanding Service Award

to

WILLIAM MAURICE ALEXANDER MCDONALD

B.Sc., (Civil), P.Eng.

Bill McDonald was registered with this Association on June 19, 1968 and has been a member continuously for 26 years.

Bill was a member of Council from 1989 to 1992 (four years), and was President in 1991. He served as both the Chair and as a member of the Admissions Review Board for five years, the Ad Hoc Committee on Technologists for three years, the Nominating Committee for three years, the Investigation Committee for three years and the Executive/Finance Committee for three years. In addition, he served as a member of the Practice & Ethics Committee for two years, the Ad Hoc Committee on Admission Standards for four years, the Awards Committee for one year and the Ad Hoc Selection Committee for one year. He was also Liaison Councillor to the Ad Hoc Committee on Engineering Inspection and Supervision for one year and to the University Liaison Committee for one year.

Bill's past and continuing service demonstrate his total commitment to the principles of APEM and to getting the job done. He is a most deserving recipient of this award.
