Outstanding Service Award

to

DOUGLAS GERALD CHAPMAN

B.Sc.E.E., D.I.C., Ph.D., P.Eng.

Doug Chapman was registered with the APEM on March 5, 1974, and has been a member continuously for 23 years. He is the Manager of the System Performance Department at Manitoba Hydro.

Doug Chapman was a member of Council from 1992 to 1995, and was President in 1994. He has served on the Executive & Finance Committee for three years, the Board of Examiners for seven years (including three years as Chair), the Awards Committee for two years (including one year as Chair), the University Liaison Committee for two years, the Nominating Committee for three years, the Salary Research Committee for seven years, the Organizational Restructuring Action Plan (ORAP) Task Group for four years, the Research and Development Committee as Liaison Councillor for one year, the Premises Committee for two years, the Electronic Seal Ad-Hoc Committee for two years, and the Law Reform Committee Task Group for one year. In total, Doug has provided 38 committee years of service to the Association.

In addition, since 1995, Doug has served as APEM's Director on the Board of the Canadian Council of Professional Engineers. He also assisted with the APEM office automation project.

Doug's many years of service to the Association are characterized by his outstanding ability and by his dedication to the engineering profession. His contribution to the Association has been generous in the extreme. The Association is deeply indebted to him for the wide variety of service rendered by him in so many areas of the Association's activities and feels that he is a most deserving recipient of this award.
