Land Development Engineer

Planning, Property and Development

Posting #: 114339

Closing Date: September 21, 2016

The Land Development Engineer, as Chairman of the Administrative Coordinating Group (ACG) is responsible to review all Development applications with respect to servicing requirements and to process servicing conditions through public hearing, Standing Committee and Council. As well, the Land Development Engineer prepares and certifies all development and servicing agreements as per Council and/or Standing Policy Committee instructions and ensures all conditions pursuant to those Agreements are met.

As the **Land Development Engineer** you will be:

- Responsible for all duties as Chairman of the Administrative Coordinating Group (ACG) which includes reviewing all development applications and coordinating the schedule of applications to public or regular meetings of the Community Committee.
- Responsible for the preparation of Development and Servicing Agreements according to Council and Standing Policy Committee orders.
- Authorizes the release of Mylars and the commencement of development upon payments and securities from the developer.
- Providing information and assistance to, and liaises with, internal and external contacts with respect to the development application and agreement process as well as the interpretation of agreements.
- Supervising and coordinating the daily activities of support staff within the Land Development Branch to ensure work priorities and schedules are met.
- Carrying out special assignments at the direction of the Land Development Administrator and the Manager of Land Development, Geomatics and Land Information Systems.

Your education and experience includes:

- Bachelor's Degree in Engineering.
- Registered Professional Engineer in the Province of Manitoba.
- Must have five (5) years (post seal) experience in the field of Municipal Engineering including the coordination of design, construction, and maintenance of municipal infrastructure networks and services e.g. right-of-ways, pavements, land drainage, sewer and water distribution systems and public works.
- Demonstrated ability to communicate clearly, both orally and in writing; must be able to respond to questions with little time to reflect (i.e. public meetings).
- Demonstrated ability to establish and maintain effective working relationships and to facilitate and encourage a "team" approach in problem solving where situations are newly evidenced or where shared knowledge would enhance the working group as a whole.

Conditions of employment:

- Must possess and maintain a valid Class 5 Manitoba Driver's Licence.
- Applicants may be required to undergo testing to determine their knowledge, abilities and skills as they relate to the qualifications of the position.
- The successful applicant may be required to complete a health assessment questionnaire and to undergo an eye examination at the Occupational Health Branch

If **YOU** are interested in this exciting opportunity, please submit your application, including a detailed resume, online at <http://www.winnipeg.ca/resumeol/peoplesoft/apply.asp> OR, by mail quoting Posting #: **114339** by **Wednesday, September 21, 2016** to: **Annie Dibra, Recruitment Clerk, Planning, Property and Development, 2nd Floor, 65 Garry Street, Winnipeg, Manitoba R3C 4K4.**

The salary range for this position is \$2,915.69 – \$3,925.17 bi-weekly.

We have great benefits and competitive salaries, and we are committed to ongoing learning and career development!
