

Engineering Technologist

Brandon, Manitoba

The Opportunity

Ducks Unlimited Canada (DUC), a leader in Canadian habitat conservation, is looking for a confident, energetic and dedicated professional to join our team in Brandon, MB.

In this position, you will be responsible for inspecting, surveying, designing and building water control structures - activities that appeal to you because you love working outdoors.

You need to be an effective communicator who is able to build positive working relationships with various stakeholders, including landowners, contractors, and rural municipal governments all while providing on-site construction supervision.

You possess strong leadership, organizational, and interpersonal skills. You have demonstrated expertise in project planning and implementation and contract management and tendering. You are self-motivated, enjoy a complex, changing environment and can manage numerous projects on tight deadlines.

You need to be an enthusiastic team player – a self-starter who can work with anyone, is capable of seeing the bigger picture and enjoys thinking out of the box.

Your three years of experience and knowledge of survey techniques and construction will make you the ideal candidate for this position.

Requirements

- A municipal or civil engineering technology diploma.
- Experience in surveying, construction
- Experience with Microsoft Office and AutoCAD.
- Experience with RTK GPS surveying and ArcMap is a definite asset.
- Ability to work long/flexible hours in summer, outdoors in inclement weather, and travel as required
- A valid driver's license.
- Previous experience working on a farm would be a definite asset.

How to Apply

If you are qualified and interested in this opportunity, please submit your cover letter (including salary expectations) and resume for confidential consideration to the attention of:

Carly Bjornsson, HR Generalist
Ducks Unlimited Canada
Email: resumes@ducks.ca

Closing deadline: October 25, 2017

Please quote "Eng Tech Brandon" in the subject line of your application.

Ducks Unlimited Canada (DUC) is the leader in wetland conservation. A registered charity, DUC partners with government, industry, non-profit organizations and landowners to conserve wetlands that are critical to waterfowl, wildlife and the environment. Learn more at ducks.ca.

While DUC would like to thank all applicants, only candidates considered for an interview will be contacted.
