

## 2010 Declaration of Compliance

The By-Laws of the Association of Professional Engineers and Geoscientists of the Province of Manitoba, which came into effect December 4, 2002, require that members of the Association, in the practising category, make an annual Declaration of Compliance, with the member's responsibility to maintain his or her competence, beginning in the 2004 membership year. (See applicable section, By-Law 11.3, below.)

### **PART XI PRACTICE REQUIREMENTS**

#### **11.3 Declaration of Compliance**

Beginning with the 2004 membership year, members in the practising category shall be asked to make the following declaration at the time of the payment of the annual dues for the renewal of registration.

"I declare that I have, on an ongoing basis, acquired the knowledge, skills and level of awareness necessary to undertake the professional services that I currently provide, or intend to provide, to my employer and clients, and to fulfill my professional responsibilities to the public."

Any failure to so declare shall be recorded in the member's file.

Accordingly, the Association asks that "**members in the practising category**" complete the **Declaration of Compliance** below, by signing and dating the form; and returning it with your renewal payment for the 2010 membership year.

**Members in the "Practising Category" ONLY to submit this portion with their 2010 Renewal Payment**
