

The Association of Professional Engineers and Geoscientists of the Province of Manitoba

Sponsorship Details - Student Networking Event March 6, 2013

Benefits

APEGM's annual networking event is held to help encourage student engineers and geoscientists to become more involved in their profession before graduation. The event features a full array of hors d'oeuvres, a great atmosphere for networking, and activities to encourage interaction between the students and professionals within the same discipline or experience. This Networking Event is a great way to promote yourself and your company and support the future of engineering and geoscience in Manitoba:

- Excellent networking and business development opportunities.
- Exposure to senior decision-makers in the industry.
- Association with a well-organized and productive event.
- Recognition as a supporter of excellence in engineering and geoscience.
- Exposure to new talent through engineering students in the engineering and geoscience fields for employment needs.

Program sponsors will also receive a sponsor recognition package commensurate with their level of support.
