WES will send you an automated email informing you that your WES account was created.

WES will also send Engineers Geoscientists Manitoba a notification indicating that you have started the WES application.

Frequently Asked Questions

Q: I have a WES Education Credential Assessment (ECA) report which I obtained for immigration purposes. Can I use this report?

A: The WES Education Credential Assessment (ECA) report in which you obtained for immigration purposes and the **WES ICAP document-by-document report** are different reports.

To apply to standard WES report, you will need to login to your WES account and update your report and add EngGeoMB as a recipient.

1. Go to www.wes.org/ca/
2. Sign in to 'My Account'
3. Click on 'Update Report'

You will then be asked the following question: "What is the primary purpose of this evaluation?"

4. Click on "Professional License/Certification"

NOTE: You will receive a new WES reference number. Please use your Immigration, Refugees, and Citizenship Canada (IRCC) reference number to refer to your IRCC/immigration report and your new WES reference number for education or employers.

*WES will notify you if additional documents are needed

Q: How to Order a Duplicate WES Report

A: Details and instructions on how to order a duplicate WES Report can be found in the below video provided by WES:
