

SONS & DAUGHTERS BURSARY DRAW

ELIGIBILITY:

Open to sons and daughters of APEGM members in good standing:

- who are enrolled in 1st year Engineering or Geoscience studies
- at any CEAB recognized University or College.
- For greater clarity and for the purposes of this bursary, "members" do not include the categories of Member-in-Training or Temporary Licensee.

AWARDS:

Five (5) awards of \$1,000 each will be given annually. The Awards are non-renewable.

CRITERIA:

Bursary recipients will be selected in a random draw immediately following the close of applications. Names will be drawn by the Awards Committee chair or designate and witnessed by the Registrar or other APEGM staff member. Each Applicant will have their name entered to the draw once. Declaration of bursary winners will be made by the chair of the Awards Committee and will be final. Winners will be required to: (a) submit proof of registration and (b) confirm continuing enrolment after the Term 1 voluntary-withdrawal date in order to receive the award.

PURPOSE:

The purpose of the award is to give a nice gift to students who continue the professional lineage in the family tree. Students must be a direct descendent (ie. son or daughter) of an Engineers Geoscientists Manitoba member. Sorry, no sons-in-law, daughters-in-law, grandsons or granddaughters are accepted.

APPLICATIONS:

To ensure that the student has completed the necessary educational requirements for admission to university, applications will only be accepted between June 1 and September 1.

ADDITIONAL INFORMATION:

DO NOT QUALIFY:

- Grandsons and granddaughters do not qualify.
- Sons-in-law or daughters-in-law do not qualify.
- Students enrolled in a technology diploma program do not qualify. Only programs at CEAB accredited schools (or ABET in the USA) or international equivalent will be accepted.

ENTER ONLY ONCE:

- You can only enter the draw once; in first year of engineering or geoscience studies.
- In some rare cases, a student may be considered half in first year and half in second year. A ruling will be made by the Registrar on a case-by-case basis.
- For the sake of fairness, it is the intention of the bursary draw to allow students to enter the draw once.
- No repeat entries will be accepted.

BOTH PROFESSIONS:

The draw is open to sons or daughters studying engineering or geoscience.
