

CALL FOR VOLUNTEERS

INGENIUM TASK GROUP

Want to get more involved with the Association? In need of hours for ProDev? If so, the Association is looking for a volunteer to join the Ingenium Task Group.

INGENIUM TASK GROUP

The Ingenium Task Group is made up of volunteers who are interested in helping plan the professional development seminars offered at the Association's annual Ingenium Conference in November. The task group suggests topics of interest to the membership and assists in identifying potential speakers to present at future conferences.

General Duties and Responsibilities:

- Suggest technical topics of interest to the membership for professional development sessions at the conference.
- Identify suitable speakers to deliver presentations at the conference.
- Assist with moderating conference sessions (optional).

Specific Skills and Qualifications

- The task group is currently seeking one additional member (P.Geo. or GIT) to join the group. Senior members are also welcome to apply.
- Interest in professional development.
- Awareness of developments in geoscience.
- Strong communication skills.

Time Commitment:

The Task Group will meet as needed, with approximately two meetings in June and one additional meeting in September. The estimated time commitment is 2-3 hours per month. Volunteers who choose to moderate sessions will also be required during the conference (times to be confirmed).

How to Apply:

If you are interested in joining the Ingenium Task Group or would like more information, please email Nathan Sun at Volunteer@EngGeoMB.ca.
