

Association of Professional Engineers  
of the  
Province of Manitoba

Outstanding Service Award

to

NICHOLAS PATRICK FESCHUK

B.Sc.C.E., M.Sc.C.E., P. Eng.

Born March 17, 1939

St. Boniface, Manitoba

*Nicholas Patrick Feschuk became registered with this Association in June, 1964 and since that date has contributed generously of his time and talents to the work of the Association.*

*He was a member of the Membership Committee for four years, serving as chairman in two of these years. He served two years on the Annual General Meeting Committee and two years on the Bulletin Committee. He was elected a Councillor of the Association for the two-year period 1973-1974.*

*In addition to his work for the Association, he has served the Engineering profession through his membership in the Engineering Institute of Canada where he has given his support as a member and chairman of their Continuing Education Committee, chairman of the Engineering and Resource Management Conference, member of the Western Canada Water and Sewage Conference, and Secretary-Treasurer of Camp 8 for The Ritual of the Calling of an Engineer.*

*Mr. Feschuk's record of service to this Association fully entitles him to be a recipient of this award.*

November 28, 1975.
