

Manitoba Government Job Opportunities

Dam Safety Engineer

Regular/Full-Time

Manitoba Transportation and Infrastructure

Water Infrastructure, Engineering and Technical Services

Winnipeg, Manitoba

Advertisement Number: 41757

Salary Range: \$85,506.00 - \$108,637.00 per year

Closing Date: December 5, 2023

The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

Employment Equity is a factor in selection for this competition. Consideration will be given to women, Indigenous people and persons with disabilities.

An eligibility list may be created for similar positions and will remain in effect for 12 months.

Candidates who do not meet all essential criteria may be considered on an underfill basis at a commensurate rate of pay.

To be considered for this competition you must submit an application form. See below for further instructions.
