

Geologist (39665)

Location: Saskatoon, SK

About Us

Cameco is one of the largest global providers of the uranium fuel needed to energize a clean-air world. Utilities around the world rely on our nuclear fuel products to generate safe, reliable, emissions-free nuclear power. Cameco's corporate office is based in Saskatoon. We have mining operations and projects in northern Saskatchewan, Kazakhstan, the United States and Australia. We are also a leading supplier of uranium refining, conversion, and fuel manufacturing services from our operations in Ontario.

The Role

Cameco's Exploration team is seeking enthusiastic geologists to lead and support its activities on greenfields and brownfields projects in order to achieve discoveries under its long-term exploration framework.

In support of Cameco's exploration projects, you will assist in the execution of exploration drill programs in northern Saskatchewan. A significant amount of your time will be spent in the field with your activities directed by a Project Geologist or their designate. This is a one-year temporary staff position based in Saskatoon, with the possibility of extension.

In this role, you will:

- Be in the field and are responsible for geoscientific data collection through drill core logging, drill core sampling, and probing drill holes with geophysical tools
- Create and maintain interpretive cross sections, handling drill core boxes, flagging the position of drill trails and drill holes, and other duties associated with drill programs as assigned
- Collect and record observations while working within a digital environment using specialized software
- Be responsible for the population and management of relevant database files
- Have office-related activities including data compilation and interpretation, as well as assisting the Project Geologist with reporting

Required:

- Bachelor's degree in geology or geological engineering
- 0-4 years of relevant work experience
- Ability to work in remote locations for extended periods of time
- Proficient with Microsoft Office
- Excellent communication, interpersonal and analytical skills
- Willingness to work in a team environment

Recommended:

- First Aid, ATV, and/or snowmobile training

Conditions of Employment:

- Pre-employment Substance Test
- Criminal Record Background Check

Cameco is proud to offer a competitive total reward package which includes:

- Competitive compensation program with base and variable pay
- Flexible health, drug, dental, and vision plan with a health spending and personal spending account
- Fixed benefits including employee and dependant life, AD&D, disability benefits and paid vacation leave
- Employee & Family Assistance Programs
- RRSP and RPP matching program
- Career development opportunities

Cameco is an employment equity employer and aims to achieve gender parity, and as such, preference will be given to qualified members of equity groups. We are strengthened by the diverse backgrounds of experiences and encourage applicants with various levels of expertise to apply, as equivalent combination of education and work experience are considered.
