AND IN THE MATTER OF: *THE ENGINEERING AND GEOSCIENTIFIC
PROFESSIONS ACT, C.C.S.M. c. E120*

CHARGE

TAKE NOTICE that the Investigation Committee of the Association of Professional Engineers and Geoscientists of the Province of Manitoba (“EGM”) formulates the following charge:

John Arthur, P. Eng, (“Mr. Arthur”) while registered as a professional engineer in the Province of Manitoba, engaged in conduct detrimental to the public interest, conduct unbecoming a professional engineer and misconduct in the practice of professional engineering, contrary to sections 46(1)(a), 46(1)(b), 46(1)(c) and 46(1)(d) of *The Engineering and Geoscientific Professions Act* and/or Canons 2 and 5 EGM’s *Code of Ethics* (effective November 2018) in that:

1. On dates between July 2021 and April 2022, Mr. Arthur (either directly and/or operating as 6137262 Manitoba Ltd. and operating as John Arthur Consulting)
 - a. misled his clients or prospective clients, Richard Johns, Loren Oschipok, Jeff Wiggett and Natalie Vielfaure as to Mr. Arthur’s ability to practice structural engineering by failing to properly advise or clarify that he was, at that time, restricted from practicing structural engineering (the “**Restriction**”); and
 - b. engaged in the practice of structural engineering, contrary to the Restriction, by performing site reviews and inspections, advising on structural engineering issues and making structural engineering recommendations.
2. In or about late 2021, during the course of providing professional engineering services respecting a commercial building at 1132 Portage Avenue in Winnipeg, Manitoba, Mr. Arthur failed to deliver a design and structural certification for the project, despite being paid by his client for same, and in doing so failed to conduct himself with integrity and to act in the best interests of his client.

DATED at Winnipeg, Manitoba, this 10th day of June, 2025.

Tom K. Malkiewicz, P.Eng., FEC.
Acting Chair, Investigation Committee
